

I-90 Soil Health Tour: Fairmont, MN

Thursday, February 10th, 2022
10 AM – 2 PM

Knights of Columbus Hall
920 E 10th St, Fairmont, MN 56031

Traveling along Interstate 90, the tour consists of 4 stops that bring both expert keynote speakers and local farmers for a convenient way to learn how soil health practices such as reducing tillage, using cover crops, and implementing diversity in the system helps cut soil fertility needs.

Speakers

Mitchell Hora

Mitchell is a 7th generation Iowa farmer and founder/CEO of Continuum Ag, a soil health data company. The Hora's have been using no-till since 1978 and cover crops since 2013 along with experimenting in relay cropping.

AJ Krusemark

AJ farms in Martin County, MN where he produces corn, soybeans and livestock. AJ started using cover crops in 2016 and has been no-tilling / strip-tilling since 2017.

This is a FREE event with FREE food!
