

PREMIER SOIL HEALTH EVENT

DEC 5-6, 2023
MANKATO, MN

at the Mayo Clinic Health
System Event Center

Scan to
register!

Featuring keynote speakers

Russel Hendrick & Jay Fuhrer!

Plus hear from local speakers:

- John Stevens (Rock Creek, MN)
- Tom Cotter (Austin, MN)
- Grant & Dawn Breitreutz (Redwood Falls, MN)
- Phil Smith (Redwood Falls, MN)
- Lance Klessig (Dakota, MN)

The Premier Soil Health Event is for farmers, by farmers. Hosted by the Minnesota Soil Health Coalition, this event brings local, national, and regional soil health experts together to provide farmers and ranchers information they can use to improve their operations. Network with other farmers and farmer mentors, plus learn from long-time practitioners of strategies that build soil health.

Accommodations can be made at **Hilton Garden Inn Mankato Downtown**

DEC 11-13, 2023
CEDAR FALLS, IA

at the Bien Venu Event Center

Soil Regen brings you **The Big Soil Health Event**, which features the best and brightest farmers, scientists and soil health advocates to bring you what you need to increase ROI on your farm, gain understanding of soil health practice implementation and testing, and how regenerative agriculture affects you and the environment. This year's event features a systems approach to soil and health, including diverse range of speakers.

Accommodations can be made at

Holiday Inn Express & Suites Cedar Falls - Waterloo
